

2016-17 GCU Men's Basketball Student Tickets

This season GCU has partnered with the popular online ticketing app Flash Seats. The good news is that once you create your initial account, you will be able to easily claim and access your free student basketball tickets for the entire season!

Below are step-by-step instructions on how to create your account and download the app so that your ticket process will be streamlined and stress free moving forward.

- 1.) Visit the website gcuarena.com/student-tickets
- 2.) Click the link for the event that you will be claiming your student ticket for.
- 3.) You will now be prompted to create a new account using **only your GCU student email**.
Your GCU student email is your loudcloudusername@my.gcu.edu.
- 4.) Claim a GA ticket (General Admission).
- 5.) In order to reference your account for all future ticket claims, you must also enter a valid debit/credit card. **Your card will not be charged, as student tickets are always free. This is only used as a security measure for your account verification.** Click the box marked "save this card" after you enter your information.
- 6.) Next you will receive a confirmation number.
- 7.) At this time, download the Flash Seats app to your phone (iOS and Android). 
- 8.) You will now enter the same information that you used on GCU Arena's website to create your Flash Seats account.

Once you go through this initial sign-up process once, your two accounts will be synced up and you will be able to easily access your free student tickets for all games moving forward.
